→ TLC/AEP portables – old, too small, not ADA.

Chaps court – also used for wrestling. Mats stored in room nearby; a lot of trouble moving in and out; also wear and tear.

Theatre props – stuffed in room off cafeteria.

Possibly fence courtyard outside cafeteria.

Men's locker room – too small, no parts available for lockers.

Volleyball bleachers – old, high maintenance.
backboards not motorized – take up to 15 min. to lower and raise.

Lifeskills room – needs updating.

Robotics – room big enough for 60-70 students (currently 90). Need bigger classroom, place to store materials.

Health Science & Tech – need bigger classroom.

Girls Gym/locker room; 3A size – 2/3 girls share a locker.

NOC – space issue related to new/added programs. Generator needed – could also service VVE, FTE, CA.

Cafeteria next to NOC – needs storage, walk-in cooler, freezer.

Shriner records – What is cost to digitize?
