NO RESPONSE

Dear Dr. Wellman,

Please consider this letter as a written, formal request to observe any and all documents that show or reflect expenses and revenues associated with all athletic sports at Westlake High School, West Ridge Middle School and Hill Country Middle School including but not limited to reports, correspondence, and emails between and among, and received or generated by all EISD employees and the EISD Board of Trustees for the period of June 1, 2003 through today. This documentation would include, but is not limited to, reports generated by the business office and athletic department.

This documentation would also include information and correspondence, including emails and notes, generated by or received by board members and EISD employees regarding the athletic program expense and revenue.

Please include documents regarding the number of students participating in each sport, students who play more than one sport, student fees including policies and collection, cost of each sport, revenue generated by each sport, and possible athletic budget reductions in the 04-05 school year including but not limited to the proposal under consideration by the board regarding the elimination/program changes of golf, tennis and soccer at the middle school level and any changes to the athletic program at the WHS.

Please include documents that address consideration of reduction/changes in all athletic program staffing, equipment, travel, transportation, clothing, or any other athletic program expense area for the 04-05 school year.

Sincerely,

Dianna Pharr
