Ms. Gonzales,

I was told in previous e-mails and letters that I would be receiving the information on salaries by mid September. It is now the end of September and am wondering if I will be receiving this info soon. Thank you, Kathy Howard

**Subject:** Re: Open Records Request

The District received your TPIA request on August 8, 2006. For internal identification purposes, it has been assigned TPIA request #1379.

The District needs clarification regarding portions of your request for records:

With respect to your request for "Individual names, salaries, stipends and/or bonuses and benefits of every employee, including the new hires at Westlake High School." Which school year are you requesting?

With respect to your request for "and the Administration Offices, including Nola Wellman all reports and staff" Are you requesting the same information: salary, stipends, and/or bonuses and benefits?

Also, which school year?

With respect to your requests for "All expenditures that the new principal, Linda Rawlings, has spent since coming on board at Westlake

High School; ie, stationary, furniture, added staff, etc. The breakdown cost that Eanes incurred for the principal, associate principal, assistant principals and guests to go to Florida summer of 2006; ie,

10/28/2006

airfare, rooms, meals, and entertainment, etc. Breakdown cost that Eanes incurred for Bill Bechtol to go to China summer of 2006."

That portion of the request appears to be redundant with TPIA request 1378.

Please refer to my email concerning TPIA request 1378, wherein I asked for clarification regarding these particular requests for documents.

Please contact me if you have any questions or concerns.  
Thank you.

I am requesting records under the Public Information Act.

Individual names, salaries, stipends and/or bonuses and benefits of every employee, including the new hires at Westlake High School

and the Administration Offices, including Nola Wellman, all reports and staff.

All expenditures that the new principal, Linda Rawlings, has spent since coming on board at Westlake High School; ie, stationary, furniture, added staff, etc.

The breakdown cost that Eanes incurred for the principal, associate principal, assistant principals and guests to go to Florida summer of 2006; ie, airfare, rooms, meals, and entertainment, etc.

Breakdown cost that Eanes incurred for Bill Bechtol to go to China summer of 2006.

Thank you for your prompt attention to this matter. If you have any questions, please feel free to call me.

Kathy S. Howard
